# White NetPages

NetPages™ is a directory for the Internet modeled after the phone book--with blue, white, and yellow pages sections. It is available in both traditional print format and in several electronic forms. For the electronic versions file size necessitates that NetPages consist of three files: two for the White NetPages sections (A-K and L-Z), and one file for the Blue and Yellow NetPages sections. This file is the online print version for the White NetPages (A-K), which was created in Quark Xpress and converted into both a Replica (exchange format) file and a PostScript file. Online versions also exist in Adobe Acrobat and Mosaic. To get access information for the other files, send email to

np-pickup@aldea.com

HOW TO MAKE A WHITE NETPAGES LISTING

You may make a white NetPages listing free of charge. All information is optional. Your listing will be sent to you prior to the compilation of the directory for verification. Yellow pages listings are available in the NetPages for those of you with more information to deliver. Contact ads@aldea.com or 1-800-TO ALDEA for pricing. If you have any questions or comments, write to netpages@aldea.com or call 1-800-TO ALDEA (619-943-0101).

To add your name to the Fall 1994 directory simply return the information below before August 15, 1994 to np-add@aldea.com
